Trivia Night
Thank you so much for the amazing support for our 2015 major P&C fundraiser. The evening raised well over $10,000 for the students of our school. To each of you who donated food, prizes, gave their time to set up the hall or were able to attend on the evening – THANK YOU from the school and P&C!

Events like this don’t just happen without an enormous amount of organisation. A special thank you to our P&C executive – Hugh Rasmussen and Linda Bennett for their coordination and organisation, Jane McMillan for liaising with guests and organising all the tables and Cassie Garlick – for all of the accounting work behind the scenes.

And last but not least to our resident Wine Man – Peter Bourne. Without you Peter, the evening would never have happened! You and your colleague, Matthew, hosted a wonderful evening. We learned a lot about wine and food, raised a great deal of money and had lots of fun along the way!

P&C Meeting tonight 7pm

Staffing appointment
As detailed in the note home during the week, I am delighted to announce the appointment of Miss Carly Sutherland, to a permanent teaching position at Nashdale Public School from the commencement of the 2015 school year.

Miss Sutherland visited Nashdale School today and met with myself, Mr Rasmussen, Mr Hooper, staff and importantly the students. She currently lives and teaches in Gilgandra but is looking forward to relocating and teaching in such a wonderful school.

The final staffing structure for Nashdale in 2015 will be announced as position information is finalised.

Swimming
For the next two weeks, years 2-6 will be attending the Dept of Sport and Recreation Special Swimming Scheme each afternoon. The scheme fully funds the cost of the swimming instructors and the school is funding transport costs through the Active After School grant, so that families only need to pay reduced pool entry fees. This is a very economical way for your child to access swimming lessons as it usually costs upwards of $10 for a single lesson.

Notes have been sent home. Payment is not due for two weeks but permission notes need to be returned by Monday morning. Please pack swimmers, towel, goggles and a plastic bag for your child every day. LABEL EVERYTHING!

We will be swimming in the last session with lessons concluding at 2.45pm. You are welcome to collect your child from the pool but please inform staff to hand over duty of care for your child. We must leave the pool before 3pm to ensure that we are back at school by 3.20pm.

Field Days
Senior and Middle primary classes enjoyed their excursion to the Field Days. Congratulations to Gianrico who was judged winner of the 8-11 years age group in the Field Days Art competition. Judges were very impressed with all of our entries!

Vale Mr Mullen
Late last week, former Nashdale Principal, Mr Deny Mullen passed away in Orange. Mr Mullen served the Nashdale community from 1967-1985. Many of us first met Mr Mullen at the 125th celebrations last year and enjoyed his anecdotes concerning the many years he spent at the school. Our sympathies are extended to his family.
End of year Pool Party/Swimming carnival
The traditional end-of-year pool party will also include swimming events this year for swimmers and non swimmers alike. There will be events for students to compete for their houses in noodle races, medleys, kickboard races and relays. We would love some parent support on the day to help run the events. We will send out details regarding events and jobs closer to the date. Please mark the date in your diary – **Tuesday 16th December**. We would love parents to help with activities if they are able to attend.

Book Week Parade
What a lovely Book Week parade. Children looked wonderful in their Dr Suess inspired costumes and I enjoyed the Dr Suess inspired learning activities in the classrooms. Thank you to all the families who donated money towards the purchase of the beautiful shortlisted books. The book plates have been inserted and the books are now awaiting accessioning to the library.

SRC News
The SRC would like to thank all families who’ve supported the canteen throughout the year. This week, we made coin snakes in the playground to demonstrate the profits we’ve made in a visual way. This was a “pre2” initiative with all the schools in Orange making their own coin snakes to donate to these very worthwhile charities.

$60.85 has been donated to Stewart House and a further $60.85 to the new Ronald McDonald House here in Orange! Thanks everyone – a great effort and wonderful that our school has been able to support those in need in this way!

Carols by Candlelight
We will be holding our annual Community Carols By Candlelight on Friday 5th December. This year we will attempt to hold the event at the school commencing at 7pm (weather permitting!).
